We the members of the Annual Staff proudly present the Golden Streak of 1963. This year our annual shows how the citizens of Navarro spend their time in the outdoors. We hope that in the future you will look back on these pages and years and remember all the special things that happened to you and your friends.

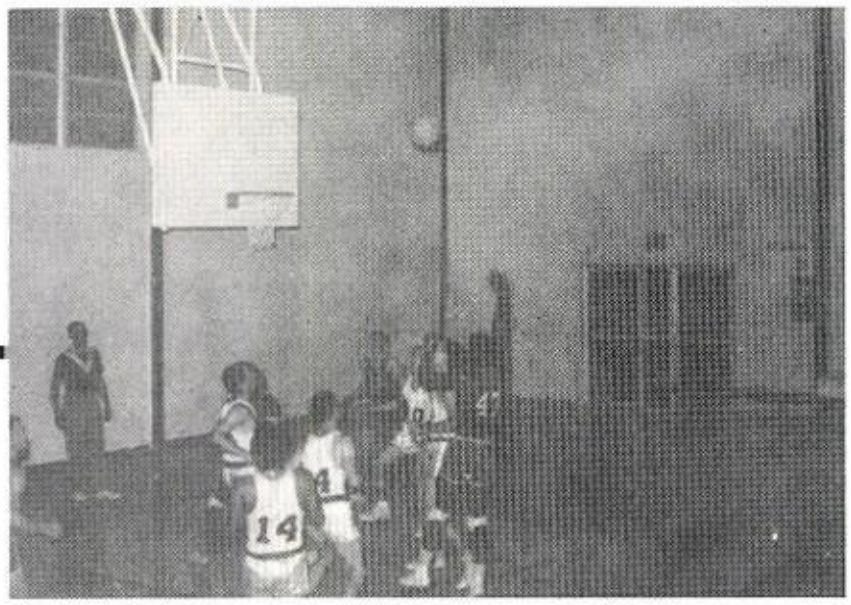
GOLDEN STREAK



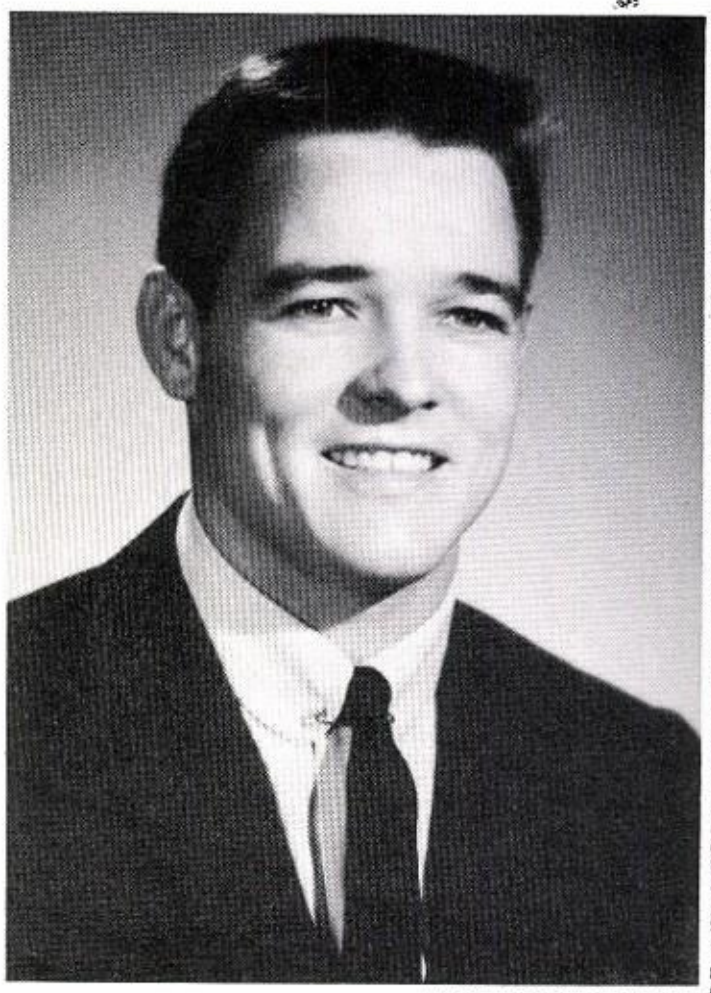
DEDICATION

MR. JIMMIE SCOTT, high school principal for the past four years, has given much of his time and effort to the high school.

With his guidance higher and better standards have been set for our school.

He has taught such courses as typing and bookkeeping during these years.

Therefore, the GOLDEN STREAK Staff wishes to express their sincere appreciation and gratitude to Mr. Scott by dedicating the 1963 GOLDEN STREAK to him.



SUPERINTENDENT'S MESSAGE

Dear Students:

When I came to the Navarro Schools as your Superintendent, I was filled with all of the anxieties that a person normally feels when moving into new working conditions and into a new community. I wondered how we would respond toward one another--if the response would be favorable or antagonistic. I wondered how the community and the faculty as well as the student body would respond toward the educational philosophy that I was bringing with me. I can only say that the gracious manner in which I was accepted has been most gratifying and that the past four years of working with each of you has been most pleasant and satisfying.

I pray that our relationship shall continue to be such and that our school shall continue to improve with each passing year.

Respectfully yours,

J. E. Etheredge

HIGH SCHOOL PRINCIPAL

Hurray for the purple and gold.
May they stay as our colors forever.
We have a team and a coach.
To this victory we'll approach.
We all have to fight for this game.
May our friends be with us and support us.
So we can come out on the top.
So let's all fight, so let's all fight.
For dear NAVARRO. Yea!
